
America Too Young Seversky Maj Alexander Author

alexander p. de seversky and the quest for air power - seversky's third book, america: too young to die! the title alone might help explain why the book attracted so little attention. major newspapers, for example, ignored it. the title can best be described as semi-hysterical, and to some people it would imply a shallow product slanted toward the sensational. **alexander p. de seversky and the quest for air power** - alexander p. de seversky and the quest for air power libbey, james k. published by university of nebraska press libbey, k. ... america: too young to die! new york: mcgraw-hill book company, 1961. ...
